Each year somewhere around two hundred elementary school students in Fort Lauderdale experience homelessness. This situation is worsened by the COVID-19 pandemic.

The City of Fort Lauderdale in collaboration with the Rotary of Fort Lauderdale and other local partners is collecting various items for personalized family care packages. City liaisons at North Side, North Fork and Walker Elementary Schools will provide the parent a voucher that can be redeemed weekly at their school or at a larger monthly food distribution.

**Rio Vista Civic Association, Downtown Fort Lauderdale Civic Association and Colee Hammock HOA invite you to join us in helping families in our City live a dignified, safe and healthy life. Masks and social distancing required.**
